

## AVALOKITESVARA

I'm not the one you  
should be talking to.  
Half the time I'm a crazy man,  
yelling and spinning,  
a fountain of anger  
flowing without pity  
or remorse.  
It's Her you should  
be seeking advice from,  
She with the lotus  
and the wisdom,  
the compassion that extends  
a thousand arms.  
There's too much sadness  
and tears in my rage  
and insanity. Ask  
Her for love and  
forgiveness—  
*for She will give it—*  
not this crazy man  
howling  
in the dark.
